Alvina, hope this message finds you well and enjoying your new challenge! I miss you!

I thought you would enjoy seeing the results of the evaluations I did. You should be very pleased--I certainly am! If there was anything I could have done to better support you during this class, please let me know.

Note: 5 is highest, 1 is lowest...

Thank you for your dedicated participation in our tutoring and in our SAT programs!

Best,
Lisa

Overall, I feel more prepared for the SAT.

Alvina: 4, 4, 5, 4, 4, 4, 5, 3

The instructor was effective at teaching math.

Alvina: 4, 5, 5, 4, 5, 5, 5, 5

The instructor was effective at teaching verbal prep.

Alvina: 5, 5, 5, 4, 4, 5, 5, 4

I would recommend this program to a friend:

Alvina: 5, 4, 5, 4, 4, 5, 5, 5

MOST HELPFUL:

Alvina: doing vocab lists at beg of every class, the vocab and the math problems given, vocab sheets w/SAT words, the explanations she gave when you didn't understand, the math and the English, Alvina going over every problem and making sure everyone understood, small class, teacher gave attention to individuals if needed, the shortcuts she taught us

LEAST HELPFUL:

Alvina: (-), only 2 days a week, (-), it was all very helpful, (-), I have no complaints, I learned a lot and wouldn't say anything was least helpful, it's ending way too soon, (-)

PACING:

Alvina: we took our time so that everyone could catch up, fine for me although I could have gone faster, very good-pace was just right, good pace-everyone was on task and knew what they were doing, average-sometimes too slow by standards on vocabulary, great-she took time out to be sure everyone was understanding the material, fast, wasn't too fast or too slow-I understood everything fully

FOR NEXT CLASS, I WOULD CHANGE:

Alvina: the time of class to a little earlier time, the pace-I think we could get more done, nothing-just better snacks, just add an essay section, nothing much-the teacher was excellent and the class "supurb", how long the class was-make it more days a week, the time and place
